General information

1. Public speaking consists of 2 (two) separate components i.e. a prepared and unprepared speech. Participants may enter for **either** the **prepared speech** OR the **unprepared speech**, but in order to be considered as category winner (trophy), the participant **must** present a prepared and unprepared speech.
2. Time confines:
 - Prepared speech**
 - Grade 4-5 - Minimum time 3 minutes - Maximum time 4 minutes
 - Grade 6-7 - Minimum time 4 minutes - Maximum time 5 minutes
 - Grade 8-Open Section - Minimum time 6 minutes - Maximum time 7 minutes
 - Unprepared speech**

 - Grade 6-7 - Minimum time 1½ minutes - Maximum time 3 minutes
 - Grade 8-Open Section - Minimum time 2½ minutes - Maximum time 4 minutes
3. Important aspects regarding the **prepared speech**:
 - Topic: Participants are allowed to choose their own topic, but it must be a relevant issue and the speaker needs to motivate his/her viewpoints and perspectives very distinctly.
 - Introduction: Must be suitable, striking and original.

- Content: Logic exposition and discussion of viewpoint, supported by the necessary references, statistics, research material, etc.
 - Presentation: Must be natural, sparkling and persuasive. Display self-confidence and handle your notes in such a way that you remain in contact with your audience.
 - Application of language: Correct, original and creative.
 - Conclusion: Appropriate, brief and pithy summary.
 - The speech must be the own creation of the participant - a speech downloaded from the internet or "bought" from one or other source, is unacceptable. Preferably it should also not be a topic used for another competition during the course of this particular year.
 - Please be aware of the time constraints.
 - Be well prepared!
4. Aspects regarding the **unprepared speech**:
- Once the participants have presented their prepared speeches, they will be accompanied by a supervisor to a separate room where they will receive their topics for the unprepared speech. These topics will be provided by the adjudicator.
 - Each participant will be allowed FIVE (5) minutes to prepare for his/her unprepared speech, after which he/she will be requested to present his/her unprepared speech.
 - The aim of the unprepared speech is to determine the ability of the participant to prepare and present a significant, logical and well disputed speech within a limited time.
5. Allocation of marks
- Separate marks will be allocated for the prepared and unprepared speeches. The participant will only be considered as a category winner (trophy) if he/she participated in both the prepared and unprepared sections.
